# EVALUATION SYNOPSIS

## I. Evaluation Process

A Responsible Vendor is a vendor that demonstrates it has the ability to successfully perform the duties identified by the solicitation. A Responsive proposal is one that is submitted in accordance with the solicitation instructions and meets all mandatory requirements identified in the solicitation.

### Proposal Instructions, Mandatory Minimum Requirements

The bidder is prequalified in category Cb – Hot Mix Asphalt/Bituminous Paving.

Evaluation Process, Pass/Fail Evaluation

Proposals will be evaluated on a PASS/FAIL basis based on the following criteria:

|    |                                                           |
|----|-----------------------------------------------------------|
| 1. | Responses to Vendor Questions are complete and acceptable |
| 2. | Responses on Schedule A are complete and acceptable       |
| 3. | Schedule B is complete                                    |

Contract award will be to the lowest price PASS bidder. The full evaluation process is stated in the RFP Proposal Instructions.

## II. Evaluation Method

Responses to this solicitation were reviewed by the Solicitation Manager, Anna Swanson, in collaboration with the Program Manager, Don Matula.

## III. Evaluation Results

The evaluators reviewed the proposals and made the following determinations related to the published specifications:

| Spec # | Criteria                                                  | EDW. C. Levy Co.<br>dba ACE-Saginaw<br>Paving Company | Pyramid Paving and<br>Contracting Co dba<br>Pyramid Paving |
|--------|-----------------------------------------------------------|-------------------------------------------------------|------------------------------------------------------------|
| 1      | Cb prequalified                                           | YES                                                   | YES                                                        |
| 2      | Responses to Vendor Questions are complete and acceptable | PASS                                                  | PASS                                                       |
| 3      | Responses to Schedule A are complete and acceptable       | PASS                                                  | PASS                                                       |
| 4      | Schedule B is complete                                    | PASS                                                  | PASS                                                       |
|        | <b>PROPOSAL DETERMINATION</b>                             | <b>PASS</b>                                           | <b>PASS</b>                                                |

#### IV. Pricing Summary
