

RE: Invitation to Bid – Bellaire Public Schools Unified Campus Safety and Security Project

DATE: May 4, 2026

To All Qualified Contractors:

Bellaire Public Schools is formally inviting proposals for the Integrated School Safety Project: Mass Communication, Video Surveillance, Interior Door Locking, Exterior Door Monitoring, and Visitor Management System. This initiative is a critical component of our ongoing commitment to campus security and operational efficiency.

We are seeking a Prime Contractor to enter into a direct contract with the District. The project scope, technical specifications, and mandatory required bid forms are included in the attached RFP package. In addition, this project is subject to the federal prevailing wage in Antrim County, Michigan (www.michigan.gov).

A *mandatory* pre-bid meeting and project walk-through will be held on May 11, 2026, at 3:30 PM at Bellaire High School. This session will provide an opportunity to survey the site and address technical questions with our Director of Operations, Bryan Davies.

Please note that Michigan law requires specific disclosures regarding familial relationships and the Iran Economic Sanctions Act. Bids submitted without these sworn and notarized documents will not be accepted.

Proposals must be received no later than 11:00 AM, May 18, 2026. Bid Opening will begin at 3:30 PM, May 18, 2026 in the Bellaire High School Library. We look forward to reviewing your proposal and potentially partnering with your firm to enhance our district facilities.

Sincerely,

Terry Starr Superintendent, Bellaire Public Schools
