Contractor Registration Instructions

(For Contractors Not Already Registered – Public Act 10 of 2023)

IMPORTANT: Registration must be completed under a BUSINESS account. Individual or personal MiLogin accounts cannot be used for contractor registration. The account must be created and maintained in the legal business name of the company performing the work.

1. Go to <https://milogin.michigan.gov>.
2. Click 'Sign Up' and create a MiLogin account FOR YOUR BUSINESS
3. After logging in, click 'Request Access' or 'Add Application.'
4. Search for and select: LEO – Wage and Hour Division (Michigan Department of Labor & Economic Opportunity).
5. Request access to the Wage & Hour application and complete any identity verification prompts.
6. Once inside the Wage & Hour system, select 'Contractor Registration.'
7. Enter required company information.
8. Pay the required annual registration fee
9. Submit contractor registration and retain confirmation/approval documentation.

IMPORTANT: Registration must be completed before performing work on a project subject to Michigan Public Act 10 of 2023 (Prevailing Wage).
