Harper Creek Community Schools **Wattles Park Parking Lane replacement.**

Harper Creek Community Schools is requesting bids for replacement of a section of the parking lot at Wattles Park Elementary School. Location 132 S. Wattles Rd. Battle Creek, MI 49014. This project will require the designated area of the parking lot and drive to be removed, the area graded appropriately. We will also be widening the exit of the parking lot for better traffic flow. There will also be a drain added to the end of the lot to assist with ponding during rain and snow events.

The design specifications are as follows:

- Take out existing Asphalt and dispose of properly according to all State and Local requirements.
- Install new drain basin outside of parking lot. "Location will be discussed at site visit meeting."
- Shape and fine grade existing gravel base to proper grade in the area.
- Furnish and treat area with a solution to prevent vegetation growth.
- Furnish and install hot asphalt base course MDOT mix compacted to 1-1/2".
- Furnish and install hot asphalt wearing course MDOT mix compacted to 1-1/2".

The district will require appropriate insurance coverage for this project.

There will be no bond requirement for this project.

The time frame for the project would be completion in July or the first week of August. No later.

There will be a mandatory pre bid meeting held on site: 132 S. Wattles Rd. Battle Creek Mi 49014. On June 17, 2026 @ 10:00 AM.

The deadline for questions will be Monday June 22nd @ 3:00 PM. Any questions can be sent via phone or email to Jim Robinson Harper Creek Director of Facilities. (269) 441-6575 or email robinsonj@harpercreek.net.

Bids will be required to be delivered to Harper Creek Community Schools Administration Building no later than June 25, 2026 @ 10:00 AM. Bids received after this time will not be opened nor accepted. Bids may be hand delivered, mailed or emailed. When sending bids they must be marked Harper Creek Community Schools Wattles Park Parking Lot Bid, Attention Jim Robinson.
