Extended Description

ONLY ONLINE BIDS WILL BE ACCEPTED FOR THIS RFB.
Emailed and hard copies delivered by any method WILL NOT BE ACCEPTED.
On this line, Bidders must enter \$0.00 for Contract Amount in the e-procurement system. Actual Contract Amount must be entered on "Official Bid Document" and submitted as an attachment in the e-procurement system. Vendors should review and update, if necessary, all addresses and contact persons for their account prior to bid submission. This information will carry forward to a contract if awarded, therefore please ensure all information is correct.
** Entire Official Bid Document and Bid Bond (if required) should be combined as one PDF and uploaded**

The BASE BID Work shall include removal of existing low level drawdown system and installation of new reinforced concrete stop log guide walls including new sill and slots for new stop logs, and installation of a new low level drawdown system including new gate thimble, concrete overlay, and concrete operating platform. Leakage reduction items include installation of PZC-18 metal sheet piling along the specified corridor and backfilling the area between sheet piling and upstream face of the dam. On the downstream face perform masonry joint repairs, masonry stone replacement, and tree removal to support leakage reduction. To improve site safety along the concrete walkway, remove and replace existing pipe handrail with OSHA and IBC-compliant handrail system with safety gate at the new gate operator. Existing siphon pipe is to be extended upstream of the sheet piling and existing water line along the walkway handrail for reinstallation or to be replaced in-kind.
Demolition Work shall include full or partial demolition of the following existing structures: pipe handrail along the walkway, existing gate, stem, operator, and components. Localized chipping/demolition of the concrete slab near reported near the bottom of the existing gate may be required to accommodate installation of the new low level drawdown system.
The CONTRACTORS Work shall also include site safety, maintenance of traffic, water control, site security, and site cleanup.

Project Description

The BASE BID Work shall include removal of existing low level drawdown system and installation of new reinforced concrete stop log guide walls including new sill and slots for new stop logs, and installation of a new low level drawdown system including new gate thimble, concrete overlay, and concrete operating platform. Leakage reduction items include installation of PZC-18 metal sheet piling along the specified corridor and backfilling the area between sheet piling and upstream face of the dam. On the downstream face perform masonry joint repairs, masonry stone replacement, and tree removal to support leakage reduction. To improve site safety along the concrete walkway, remove and replace existing pipe handrail with OSHA and IBC-compliant handrail system with safety gate at the new gate operator. Existing siphon pipe is to be extended upstream of the sheet piling and existing water line along the walkway handrail for reinstallation or to be replaced in-kind.

Demolition Work shall include full or partial demolition of the following existing structures: pipe handrail along the walkway, existing gate, stem, operator, and components. Localized chipping/demolition of the concrete slab near reported near the bottom of the existing gate may be required to accommodate installation of the new low level drawdown system.

The CONTRACTOR's Work shall also include site safety, maintenance of traffic, water control, site security, and site cleanup.

SITE VISIT INFORMATION:

The site visit information for this project will be issued by addendum.

ALL PROCUREMENT QUESTIONS SHALL BE DIRECTED TO BUYER OF RECORD FOR THIS PROJECT.

IMPORTANT: Site visit participants shall follow any applicable health and safety guidelines for all Commonwealth of Kentucky construction projects.

PROJECT CONTACTS:

Consultant: Robert Hatton, Stantec Consulting Services, robert.hatton@stantec.com, (859) 422-3000

Project Manager: Dwayne Brown, Division of Engineering and Contract Administration, Dwayne.Brown@ky.gov, (270) 210-0253

Agency: Teresa Hester, Department of Parks, teresa.hester@ky.gov, (502) 401-6867

Purchasing Agent: Janis Wilhoite, Division of Engineering and Contract Administration, janis.wilhoite@ky.gov, (502) 401-6239

OBTAINING PLANS AND SPECIFICATIONS:

For all project information and documents go to: <https://www.stateofkyplanroom.com>. For customer service you may contact Lynn Imaging, Phone 1-800-888-0693. There is no charge for plans and specifications. Contractor will need to download bid documents, specifications, and drawings. If contractors want a hard copy, they can choose

	Document Phase	Document Description	Page 5
2600000674	Final	RFB-18-27 Parks - Pennyryle Dam Repairs Study	Total Pages: 5

to pay for this option. Contractors that receive plans and specifications from other sources **will not be registered** as a planholder and **will not receive addenda**.

ELECTRONIC BID SUBMITTAL:

Solicitation responses (“bid”) shall be received by electronic submission through the Commonwealth’s eProcurement system.

Please be advised: Bids shall not be accepted via postal carrier (USPS, UPS, FED EX, etc.) nor can bids be hand delivered.

Response must contain all information required by the Solicitation and be executed by an authorized agent of the Bidder, affirmed by electronically submitting the bid through the eProcurement system. All bid documents shall be complete when the bid is submitted.

To bid, all bidders **SHALL** be registered in the Commonwealth eProcurement System via the Vendor Self Service (VSS) System at <https://vss.ky.gov> . Allow 24 – 48 hours to complete Vendor Registration. Vendors must be logged in to their Vendor Self Service account to submit a response. The Customer Resource Center is not able to complete registrations and activate accounts on the same day. Closing dates will not be extended for Vendors not registered by the date/time of the bid closing. Vendor Self Registration Guides are provided at <https://vss.ky.gov> under “Download Vendor Forms and Quick Reference Guides.”

All bidders are cautioned to begin their electronic submission in sufficient time to complete before the closing date and time. Delays due to inability to register, document upload impediments, or technical difficulties shall not be justification for acceptance of a late bid or proposal. If you need assistance, please contact the

Customer Resource Center (CRC)

- Email at Finance.CRCGroup@ky.gov;
- Locally at 502-564-9641 or toll-free 877-973- HELP (4357).

Online bid responses must be in an “Accepted” status prior to the closing date and time of the solicitation. The assigned date and time stamp from the eProcurement system generated at the time of final acceptance and formal submission by the vendor shall establish the date and time the bid was submitted. A bid may be modified or withdrawn electronically through VSS prior to the bid closing date and time.

Please be advised, VSS will not allow submission of an online response after the published date and time for closing.

Bidders shall attach the Official Bid Document and Bid Bond (if required) as a single combined attachment when submitting their electronic bids.

All results will be posted to <https://www.stateofkyplanroom.com> after the bid opening and review. If additional information is needed from the successful bidder, the buyer may be in contact.

There will be a public bid reading by conference call on the bid opening date at 3:00 P.M., Eastern Time.

The dial in number is (502) 782-2663
